

REP. BECERRA ON REPEALING DON'T ASK, DON'T TELL

WASHINGTON, DC—Today the House of Representatives voted 250 to 175 to pass the Don't Ask, Don't Tell Repeal Act of 2010 (H.R. 2965). Representative Xavier Becerra (CA-31), Vice Chair of the House Democratic Caucus, voted for the bill and issued the following statement:

“Repealing Don't Ask, Don't Tell will further strengthen the resolve of our men and women in uniform who are fighting and dying to protect our country,” Rep Becerra said. “We've heard from our military leaders, from our courts, and from the American people that now is the time to put an end to this unfair policy once and for all. And it's time for the forces that stand in the way of repealing Don't Ask, Don't Tell to start listening.”
